

Career Options – 2 Career Search Using 3 Sites

Directions

Name _____ Date _____

Students: Select one career that interests you, and write it in on the next page. The second career may be assigned by your teacher, or it may be another career for which your Holland interest inventory pointed toward for you. Research these suggested sites to find info for both careers regarding job tasks, knowledge needed for the job, and info on salaries. Your teacher may also assign a site.

**Center for Educational Technologies
Career Information System**

tm](http://www.bls.gov/k12/azlist.htm)

Select a career that interests you from your career results on the Holland assessment which you have taken. The second career exploration was in second place on your assessments, or it may be assigned by your teacher. Research the sites listed in the three boxes for your two careers, or your teacher may assign a site to you. Summarize in each box, using phrases with bullet points for each.

Career Exploration #1	Career Exploration #2
Job Title	Job Title
Job description	Job description
Job Tasks	Job Tasks
Knowledge needed for the job	Knowledge needed for the job
Average Salary	Average Salary
