

NAME \_\_\_\_\_

Dear Student,

Here is a list of actions that can help you become more successful in this class. Choose two actions from the list below that *you* will accomplish in the next week. It is important for you to think about yourself and what *YOU* need to work on to become more successful so read the list carefully before choosing.

- Listen better in class.
- Take better class notes.
- Take part in class discussions.
- Get to class on time.
- Look over and get familiar with the chapter *before* it is discussed in class.
- Read the chapter and review my class notes before doing my homework.
- Ask the teacher questions if I didn't understand the material or ideas.
- Make sure I write down the homework assignments correctly.
- Three days before the test, spend *extra* time studying.
- The night before the test, ask someone to help me study.
- Do a project for extra credit. Ask the teacher to assign you the project.
- Change my seat in the class.
- Hand in my homework on time.
- Take a few minutes extra to check my homework *before* I hand it in.
- Ask a classmate or a friend for help.
