

Employment Focused Transition Survey

Staff are here to help you get a job when you are finished with high school, and whether you are graduating in a few months or a few years, it is important that you have a plan for employment when you leave school. This is the first step in the process...

Student Information

Name:

Date:

Age:

Grade:

Where do you live and who do you live with?

What do you like to do when you are not at school?

Work Information

Have you decided what job you would like to do after you graduate?

- If so, please write the name of the job here _____

If not, would you like help deciding what work you want after high school?

Have you worked before?

If yes, please write the name of your job and where you worked:

What I did _____

Where I did it _____

If you have not worked yet, when do you plan to get your first job?

School Information

When you think about school...

What do you like?

What do you dislike?

What are you good at?

What do you need help with?

What questions do you have about working?

What else is important for me to know about you that you haven't been asked?
